Under Auspices

Chicago Shorthorn
Cattle Club

CHICAGO, ILLINOIS

Wednesday
June 7, 1922

FOREWORD

This is the first annual sale of Shorthorns to be held under the auspices of the Chicago Shorthorn Cattle Club.

The consignors' herds have attained sufficient numbers at this time so that this sale is made possible.

In founding these herds, Shorthorns of the choicest breeding and quality have been drawn from many of the best breeders in Great Britain and this country. The management and care bestowed upon the herds from which the present offerings come have been such as is approved in the breeding and rearing of good cattle.

It is the aim of the consignors to produce Shorthorns of the type and possessed of the qualities that will best serve the needs of the breeders and farmers of this country.

The sires in service in these herds already have reputations that carry with their get and services a substantial added value.

A booklet of the Chicago Shorthorn Cattle Club, farms and herds, accompanies this sale catalog. The farms of the members are all within 30 miles of the city of Chicago.

The sale will be held in the International Livestock Amphitheatre, Union Stock Yards, Chicago, at one p. m. (Chicago time) on ^{Wednesday} Tuesday, June 7th. A cordial invitation is extended to all interested to be present.

Terms and Conditions of the Consignors

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.
2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.
3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers sold as a single lot guaranteed breeders; calves, however, sold by side of dam as one lot not guaranteed. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.
4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of freight and maintenance in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller.

It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of the state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is cooperating with Federal veterinarian and qualified to do accredited herd testing. Purchase price is to be promptly refunded upon proof of re-action and return of animal, except purchaser shall agree to accept a substitute.
